A Message from the Vicar

Dear Friends,

Today is my last Sunday (and Wednesday 1st August my last service) before I head-off on Sabbatical. Being a Vicar, tends to be an all-consuming life, and since ordination I have never been away from the Parish for more than two weeks. So... after nearly a decade and a half in full-time ordained ministry I am very grateful to have this opportunity to take time-out for further study and reflection as well as for rest and refreshment. I'll be taking one month's Annual Leave, taking some time to visit my mother and some friends here in the UK and then my allocated three months Sabbatical will be spent travelling, particularly to Nepal and elsewhere, with the benefit of a special round-the-world ticket. Writing this in the middle of our extended heat-wave, it seems hard to believe my next Sunday service at All Saints' Hampton will be on Advent Sunday!!

I'm leaving you in excellent hands as I go. The day to day running of All Saints' Hampton will be the responsibility of our two immensely capable Church Wardens, Margaret Bestley and Jude Butler, and our Parish Administrators, Jennifer Paynter and Karen Saul. All our Sunday and Wednesday morning communion services will be led by a range of local serving and retired clergy – many of them old friends of All Saints' Hampton, including: Bishop Martin Wharton, Julian Reindorp, Martin Breadmore, Jonathan Rust, Derek Winterburn, Stephan Welch, Craig Holmes, Mary Hawes and Azariah France-Williams. Services of Morning and Evening Prayer will be led by Anne Walker and Sarah Pain and, in their absence, by our Church Wardens. Please give them all your support and encouragement in my absence – I'm so grateful to them for making it possible for me to take this time away.

I shall miss you all and will be remembering you in my prayers as I go.
Every blessing, Gareth x

From Earth to Heaven: A Pilgrimage in St Paul's Cathedral led by James Milne – Saturday 6 October and Thursday 11 October 3-4.30pm followed by Choral Evensong or Festal Eucharist £12 (Bursaries available)

Have you ever wondered why church buildings are the way they are? In fact, they are designed to teach us through our feet, eyes, hearts and minds about our place on earth and in heaven. From the steps up to the larger-than-life front door which tell us that we are entering a greater world, to the sanctuary where the things of earth are lifted into God's sight, church buildings are time machines where we understand our humanity in the light of all eternity. James Milne will take participants on a pilgrimage through the cathedral, exploring the sacred meanings of the building. This is not an architectural tour, but a pilgrimage in one particular church which will illuminate how the things of heaven reach the people of earth in all churches. If you are interested, please speak to the Churchwardens.

Post Communion Collect

Holy Father, who gathered us here around the table of your Son to share this meal with the whole household of God: in that new world where you reveal the fullness of your peace, gather people of every race and language to share in the eternal banquet of Jesus Christ our Lord.
